Holiday Lists

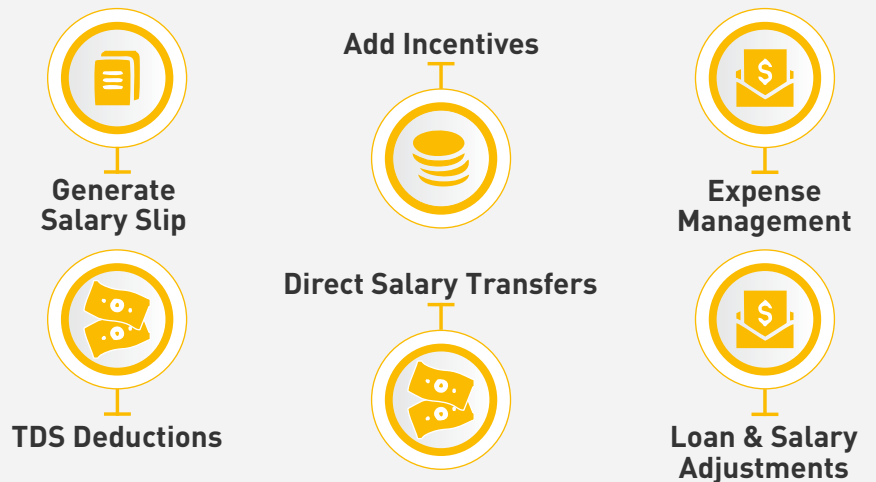

Assign Leave Quota

Payroll Management

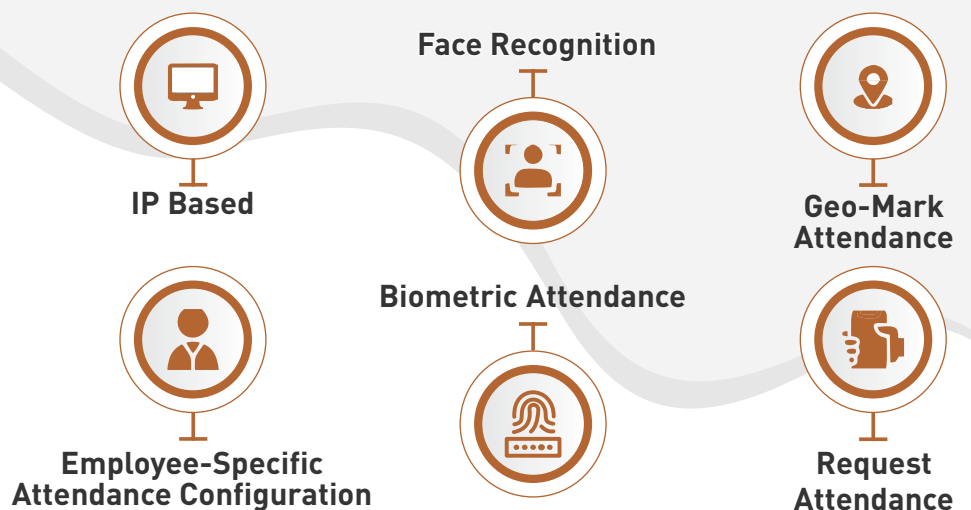

We all know that running payroll is not simple. There are many workflow activities and checks required before calculating salaries. EZHRM's unique User Interface makes all these activities painless and easy to handle. Leaves, Attendance, expenses, loans and many other processes are seamlessly integrated into a single page interface making it much easier.

Attendance Management

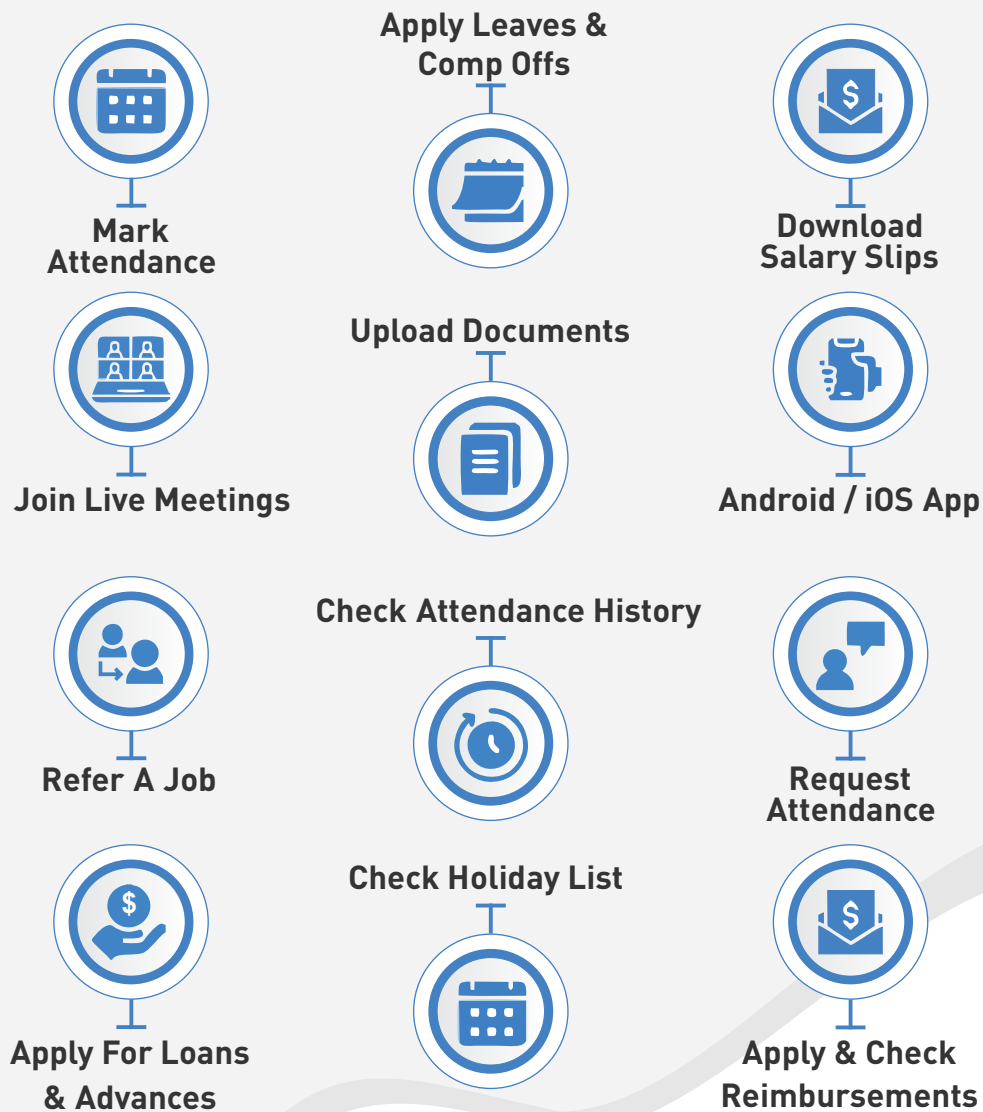

EZHRM comes with an online attendance management system that helps a company to keep a track of attendance of all the employees. Online attendance can be restricted based on IP address and Geo-Fencing.

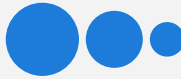

Employee Self Service Portal

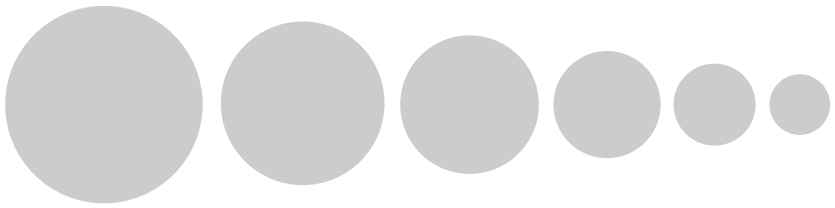

EZHRM software comes with an ESS or Employee's self service portal which allows your employees to work on various functions of EZHRM. Your employees can Mark attendance, apply for leaves, download pay slips, view leave status, update their profile, etc.

Advance Features

EZHRM Software comes with some advance features that can help you manage your employees in an efficient way.
